

MACP AGM 2023

6th November 2023, 6pm-7.30pm

Report:	Committee for Education and Approval
Committee Member:	Andrew Cuff, Chair
Date of report:	October 2023

Overview of Year

This year has focused predominantly on continued promotion of the portfolio routes to membership alongside supporting the ongoing development, influencing, and implementation of:

- MSK AP Standards
- MSK AP Credential

Progress against organisation's strategic aims

- Increased promotion of the portfolio routes
 - o Standard route completed: 2
 - o Standard route in-progress: 14
 - o Accelerated route completed: 3
 - o Accelerated route in-progress: 1
- External assessor of portfolio route identified and onboarded.
- New HEI expression of interest received: 2

Progress against sub-speciality strategic aims

- Mapping exercise of the AP Standard to the AP credential completed and ensured alignment, inclusive of the 150hrs of mentored clinical practice.
- Face-to-face course leads day undertaken with a view to:

- Enhance uptake of MACP membership at all levels
- Support HEIs to realise the opportunities that arise with the AP Credential given IFOMPT/MSK AP standard mapping.
- Renewed focus and approach to education award delivery i.e. extended application windows, more frequent application windows.

Key Development Plans for 23/34

- Review of portfolio routes to ensure competitive with a focus on independent sector and international membership.
