

**MUSCULOSKELETAL
PARTNERS NETWORK.**
RAISING STANDARDS, IMPROVING QUALITY

Quality Lead

An exciting opportunity for an experienced MSK Clinician to drive forward a high profile and critical quality and outcomes initiative for a trade association and its members. An Initial 12-month Contract - 1 day a week.

MSK Partners Network exists to raise standards and improve quality in Musculoskeletal Medicine in both the private and public sectors. This key role will report directly to the MSKPN Quality Working Group Chair and will be responsible for taking forward the work already underway by an Industry wide quality forum.

Key responsibilities and accountabilities:

1. Champion and drive forward the key recommendations of the quality forum working group.
2. Commissioning of a University or other Research body to anonymize, analyse and publish member organisations data sets.
3. Work with the key internal and external stakeholder bodies (member organisations/ commissioners/ research body) to drive forward the quality initiative including improving the speed, ease of collection and accuracy of data sets.
4. Continue to push forward a consensus data set.
5. Support technology, reporting and analysis requirements of member organisations.
6. Key day to day contact for all enquiries relating to MSKPN's quality initiatives.
7. Propose and implement improvements and adjustments to the quality initiatives.
8. Assist member organisations in utilising the outputs for commercial purposes.
9. Educate the Public and associated medical practitioners.
10. Keep member organisations up to date with key research evidence and findings.

Job Requirements:

- An experienced MSK Clinician
- Research Experience
- Accomplished networker with experience of managing multiple stakeholders
- Strong analytical skills
- Strong project management skills
- Strong communicator with effective written and oral skills

Key interactions:

MSKPN Board, Tier 1 & 2 Members, Commissioners, University and Research Bodies

Day rate:

£220 - £260 per day depending on experience

Apply by sending CV and covering letter to enquiries@mskpn.co.uk
