

**Co-Opted member January 2024 - to be officially elected November 2024 AGM**  
**Form for nominations to the Executive Committee 2023/2024**

Name: Richard Stanley

MACP membership number: 12857

Brief biography, including any relevant experiences relevant to the role that you are interested in:

Richard Stanley  
MSK and FCP Clinical Lead Physiotherapist  
AECC University College, Bournemouth

I qualified in 2007 with BSc (Hons) Physiotherapy from University of Southampton and completed junior rotations in the NHS in Sussex before moving into MSK in Hampshire in 2009. Continued to work in NHS MSK services across Dorset and Hampshire whilst undertaking a PGDip in Neuromusculoskeletal Physiotherapy at the University of Brighton and becoming a member of the MACP in 2017. After successfully obtaining a place on NIHR funded Masters programme, I completed a Masters in Research (MRes) qualification in Clinical Research at the University of Brighton in 2018. I have worked as a spinal AP in NHS interface services since 2017 and worked in the Dorset Spinal pathway under Rheumatology services from 2020 to 2022. I have been involved in First Contact Physiotherapy since 2018 and am currently working as clinical lead for Physiotherapy and First Contact Physiotherapy services at the AECC University College. I have also taught and examined at the University of Southampton and the University of Winchester as a visiting lecturer.

I wish to be more involved in the MACP through becoming a member of the executive committee as I believe I share the values and aims of the committee, and want to see the MACP succeed in its role in leading MSK in physiotherapy in the UK. Whilst I have limited experience of these types of roles, I am a highly motivated and passionate individual who is highly adaptable and capable with IT and communication approaches and feel I will be a good addition to the committee.
