

Form for nominations to the Executive Committee 2024/2025

Name: Samantha Simmonds

MACP membership number: 13382

Brief biography, including any relevant experiences relevant to the role that you are interested in:

I have been a member of the exec committee for several years now and thoroughly enjoy the work I have been doing in role as comms officer to support the profession and MSK. I am passionate about clinical reasoning, teaching, education, and its delivery and would very much like to continue in this role. Prior to this role I was a member of the PDC committee for several years.

Over the past couple of years the comms team has grown in strength and we have continued to build our marketing and promotional role whilst supporting the EC sub-committees and I would welcome the chance to continue developing this area of my role for the MACP and the MSK community.
