Dear Yiduo

Re: MACP Level 1 Research Award

We are pleased to inform you that your recent application for the MACP Level 1 Research Award 2024 was successful and we will be awarding you up to £750 to assist you in your research ambitions.

We have attached the acceptance form, which details the conditions of the award, and a claim form. Please complete the conditions form as soon as you can and return them to Katie via email at admin@macpweb.org (or via post). Please return the expense form when ready and remember to attach any relevant receipts. When Katie has received the expense form she will arrange for the payment to be processed.

Generally awards are presented at the MACP AGM, which will be held online this year in November 2024 and we would be very happy if you could attend the virtual AGM.

It only remains for us to remind you to acknowledge the MACP in any publications or presentations relating to this work and to wish you every success with your project.

Yours sincerely

Colette Ridehalgh, MMACP
MACP Research Officer

Conditions of the award:

- . 3.1. It is a condition of the award that all publications and presentations related to the Research acknowledge the support of the MACP
- . 3.2. Successful applicants will be expected (within 1 year of completion of the project) to present their work at a conference or MACP meeting.
- . 3.3. It is an expectation that the recipient of the award will submit work for publication to an appropriate journal within a reasonable time frame.
- . 3.4. Successful applicants will be required to provide the MACP with a 500 word written report within 6 months of completing the project.
- . 3.5. If the above conditions are not met, the applicant will be expected to reimburse the MACP for the full amount of the award.
- . 3.6. This funding is for research costs and should be spent within a year of receiving the award. If the research is delayed or altered and this will impact on the funding please contact the research officer.

Please sign and date to indicate that you agree to the above conditions.
